Dear Carlos Lummis,

Dear Friend:

I thus address you as friend since you are a member of the Congregation of the Faithful + so are related to all of the rest of us.

Mr M. Groarty writes of a wonderful book of songs you are getting out. I am a lover of songs - old songs - there is nothing in the modern world to compare with those beautiful old melodies our grandfather + grandmother sung when they were boys + girls. + so I am wondering how I may obtain a copy of this book

I shall await with interest your reply

Very Sincerly

Dear Mr. Bundy:

All who care for the Good Old Days and for the Romance of California certainly are related.

I enclose circular and blank touching my book of the Old Songs of California. It is a very handsome publication and the songs are jewels. I have been astonished at the demand for it. Nearly half of the second edition was sold out before the book appeared at all.

With best wishes, I am,

Sincerely yours,
